

There was some unusual activity in the Indian Land area over the holidays. During the night of December 29/30, someone broke into three vehicles in the Millstone Creek subdivision on Charlotte Hwy at Steele Hill Rd. One vehicle had a window broken, one was unlocked and the third was in a garage but the suspect broke into the garage through a side door. The only items taken were GPS units and some loose change.

On Saturday, January 2 someone vandalized several items in a small park on the back side of the BridgeMill development. This was the second instance of vandalism in that neighborhood in a month. Please remember to be alert and report suspicious activity. We can be reached at 547-5933 or you can call CrimeStoppers at 1-888-CRIME-SC to leave an anonymous tip.
