

Friday April 9, 2010 11:01 AM EDT

LCSO will be conducting public safety checkpoints in the southern portions of the county on Friday night, April 09.

In our efforts to increase the safety of the roadways in Lancaster County we will be conducting aggressive traffic enforcement in our southern patrol area including the areas around Kershaw, Taxahaw, Charlesboro and Flat Creek. Deputies will be conducting highway safety checkpoints and aggressively seeking impaired drivers and minors in possession of alcohol. This is an ongoing effort on the part of our Alcohol Enforcement Team.
