

We were notified of a string of purse thefts in the Charlotte area. They have occurred when women leave their purses in their unlocked cars while they return shopping carts or while they pump gas. The suspect has reached through open windows and took purses while women pumped gas without them even noticing it. They do have a suspect that they are actively investigating. Never leave valuable items unattended in plain sight. It is an invitation to a thief.

Deputy Eric D. Brown, I.C.P.S.
