

SPECIAL ATTENTION: EDENMOOR

We were notified by the Waxhaw Police Department today of a couple of burglaries in Anklin Forest near the Kensington Elementary School on Jim Wilson Rd. This area is very near Edenmoor, where there has been at least one similar incident a few weeks ago. The suspects are kicking in doors of homes while residents are at work and stealing jewelry and televisions. The only information at this time is a white vehicle and two black males possibly being involved.

Those of you who are home during the daytime should be especially vigilant. Watch out for your neighbors' homes while they are at work. Report suspicious activity immediately at 547-5933 or 911. Be especially observant of people knocking on doors or walking around residences when the homeowners are away. Burglars will typically check to make sure no one is home before breaking in.
