

## Two Suspicious Vehicle for the Indian Land area:

On Saturday, Clairemont residents reported a suspicious vehicle in the neighborhood. The vehicle was a two-tone burgundy in color, full-size conversion van, unknown make or tag number, driven by an older white male. The vehicle was driving slowly and playing "ice cream van music" but it sped away when approached by adults.

On Monday morning, a theft occurred from an open garage in the Shelly Woods subdivision on Shelly Mullis Rd. A neighbor observed a white four-door vehicle pull into the garage and a white male take items from the shelves. The vehicle had a NC tag (VSR 4744) that came back to a 2001 Nissan Altima which had been reported stolen in Pineville that morning.
