

There were a few incidents over the weekend in Indian Land. Between 10:30 PM on Friday night and 7:30 AM a vehicle was broken into on Highland Creek Dr off of Shelly Mullis Rd. The suspect broke a window to get into the vehicle and several thousand dollars worth of items were taken. Do not leave valuable items in your vehicle.

Around 10:40 PM on Saturday night, someone shot a window in a residence on Ashley Glenn Way (off Shelly Mullis Rd) with a BB or pellet gun. A vehicle was heard leaving the area.

Sometime during the daytime on Sunday, a window was broken out of a vehicle on Caprington Dr in the Almond Glenn neighborhood off Harrisburg Rd near the state line. There did not appear to be any entry made into the vehicle.

I have had several e-mails about the van playing ice cream truck music that I mentioned last week. Several people reported seeing the vehicle and gave a tag number. At least one person reported that it did have ice cream stickers all over it so it may actually be an ice cream vendor.
