

Over the weekend, we had two incidents where someone pretending to be a police officer robbed Latino males. One was on 17th St and the other was on Melton Park Circle. The suspect was a black male (about 6 feet tall and 185 pounds) who was wearing an all black uniform and was even wearing an equipment belt. He was driving a dark colored SUV. One witness said the vehicle was a newer Jeep Cherokee with a Jeep tag on the front bumper. The suspect told them that he was looking for them and needed to search them. He then stole money out of their wallets.

Please pass this on to people you know. If they have any doubts about whether or not someone is actually an officer, they should call 911 and check to see if it is a real officer. If anyone has information on these crimes they can call us at 283-3388 or call Crime Stoppers at 1-888-CRIME-SC and leave an anonymous tip.
